Nork, et al.

On Saturday, June 16, 2001, at 8:35 AM, Sgt Lewis conducted a ~~cell~~ Security check, but instead conducted a cell search. He took the only property box that I had! His statement is that aren't allowed to have a property box! Where, now, am I supposed to keep my property?! No ~~confiscat~~ confiscation - slip given to me! Therefore, "This" is "pure - blatant - harassment! and, it stems from June 9, 2001!"

Note: Told Sgt. that the property box is on the commissary list, but he still took the ~~to~~ box anyway!
